
Vocabulary lesson #1

- The WHY??
-

**Why even learn new
vocabulary?**

Vocabulary helps develop the way you speak
and write.

The benefits

- When you improve the way you speak others' opinions of you go up.
 - Improving your writing skills has many benefits including improving your texting, essay skills, and your comprehension of passages.
 - Comprehension is a synonym to understanding
-

In conclusion

Learning new vocabulary can help you succeed and improve many important skills in your life.
