
Vocabulary lesson #1

- The WHY??
-

—

Why even learn new vocabulary?

Vocabulary helps develop the way you speak
and write.

The benefits

- When you improve the way you speak others' opinions of you go up.
- Improving your writing skills has many benefits including improving your texting, essay skills, and your comprehension of passages.
 - Comprehension is a synonym to understanding

In conclusion

Learning new vocabulary can help you succeed and improve many important skills in your life.
